Intersession 2012 Subsidy Application

The Intersession 2012 Subsidy program will award several subsidies of up to \$200 each. You will receive written notification if you have been awarded a subsidy. The subsidy will be applied to your Intersession course once your course selection has been confirmed. You are responsible for the remainder of course fees for the course you have selected. All course fees are due in full by January 12, 2012.

- I wish to apply for an Intersession Subsidy.
- I am a student in good standing (not on Academic Probationary Support/Academic Acceleration Assistance or on Disciplinary Probation).
- I am aware that greater consideration of subsidy is given to students choosing lower cost courses. If I do not receive a subsidy, my family can still afford the course.
- I have attached my "Statement of Financial Need" signed by my parent/guardian
