

March 10, 2020
3:55 p.m.

Dear Mercy Students and Families,

We have just received word from the Archdiocese that the office is recommending the closure of all schools as a preventive measure from Thursday, March 12, through Wednesday, March 25, with tentative re-opening on Thursday, March 26.

Mercy will follow this recommendation.

Attending classes tomorrow, Wednesday, March 11, is very important since teachers will be instructing students about online classes which will begin on Thursday. Students will need to take their school materials (e.g., textbooks, laptops) home with them tomorrow.

Stay healthy!

Sr. Carolyn Krohn, RSM
